180 mm

Approx. 54 mm

1.4–1.7 mm

Approx. 425/m<sup>2</sup>

This product is available in a range of models. The possible combinations must be individually tailored to your needs. We will be happy to provide you further information in person.

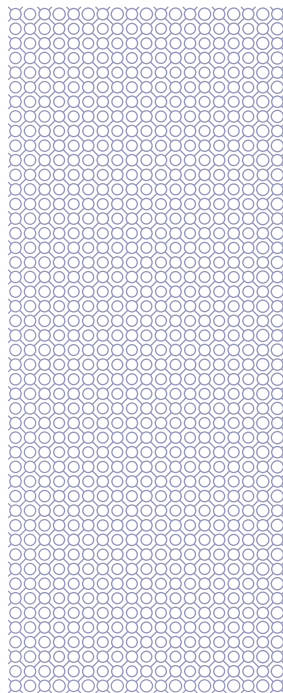

The intelligent, glueless pocket innerspring – with only two components, it offers a clear innovative advantage over all other products on the market in terms of a closed recycling loop

The innovative manufacturing technology enables high dimensional accuracy, which is achieved by the grid spacing of approx. 50 mm for edge-to-edge solutions

Smartpocket GL50 - mono

Smartpocket GL50 - zoned
